Hemenway Hall Board Of Governors Appoints Helen Matsui, Dixon Mugiishi To Fill Vacant Posts

CRAMPED QUARTERS—Mrs. Nell Volk, only full time nurse on duty at the student health service on campus, graphically points out the need for a more spacious infirmary here. Nurse Volk is shown in the dispensary's sole "treatment room" where more than 600 students were given first aid last month. The present dispensary is no longer fitted to take care of present day requirements (see below).

UH Student Health Service Inadequate: Dispensary Head

By BERT KANBARA
Ka Leo Feature Editor

From the standpoint of meeting present needs, and in comparison with other colleges and universities, student health service at UH is definitely inadequate.

These were the facts underscored by Miss Virginia A. Jones, associate professor of public health and administrative director of the dispensary, in a recent interview.

"THE NUMBER of students residing on campus has increased tremendously; to the point, in fact, where some sort of infirmary service is necessary," she said.

An infirmary operating 24 hours, it was noted, would be primarily beneficial to students residing on campus and in rooming houses.

AT PRESENT there are 255 students living in dorms on campus. There are 29 girls at Hale Laulima, 64 men in Atherton house, 76 in Vets' dorm, 70 in new Vets' housing and 16 in Students house.

In addition, there is an undetermined, but presumably considerable, number of students living in rooming houses.

MISS JONES pointed out that an infirmary would be particularly advantageous in cases requiring isolation, but which are not serious enough to warrant hospitalization. The present dispensary staff, which includes one doctor who comes seven hours a week, one nurse, and one part-time secretary, besides Miss Jones, can only handle routine physical exams and give first aid in emergencies occurring during school hours.

Nearly 4300 Enrolled For Second Semester

Nearly 4300 students are enrolled for the second semester, the office of the registrar reported.

Although complete figures are not yet available, the registrar expects the new enrollment figure to come near the 4318 total of last semester.

1949 Summer Term Catalogues Now Available

Catalogues for the 1949 UH campus and extension summer sessions may be obtained at the registrar's office in Hawaii hall, according to Dean Paul S. Bachman.

Highlighting the campus summer term will be the East-West Philosophers' conference, which will be held in conjunction with the session.

SCHEDULES for the UH Hilo and Guam centers are also listed in the catalogue.

Art, economics, music, and biology courses will be offered at Hilo.

GUAM'S THIRD consecutive summer session will be conducted by six UH professors. Guam extension service was set up at the request of naval authorities.

Extension Divisions Note Increases In Student Bodies

Enrollment has increased in three of the university extension divisions, it was reported by Dr. Albert McKinney, director of the centers.

Hilo Center has a total of 73 students for the second semester while the Wahiawa division has an addition of 26 students which brings the enrollment figure to 117, of which 95 are members of the armed forces.

The Fort street Extension Center has a total of 112 students, excluding the nearly one thousand persons registered for non-credit courses.

Sinclair Tells Students To Drop In For A Chat

President Gregg M. Sinclair urges students to drop into his office any Wednesday afternoon for conversation or consultation. "No appointment is necessary," says the president. "Just drop in."

FIRST VIEW

Coed Beauties To Parade At Pool Today

First view of candidates running in the Ka Palapala beauty contest will be at a swimming pool rally today at 12:30 p.m., contest chairman Epy Yadao announced.

Yadao also disclosed plans for the introduction of contestants at the Rainbow swimfest this weekend at the university pool. The beauties representing all races will stage a bathing suit parade during the intermissions.

CONTESTANTS will be divided into two groups, one to be presented at tomorrow night's meet, which begins at 7:30, and the other at Sunday's event, which begins at 2:30 p.m., he said.

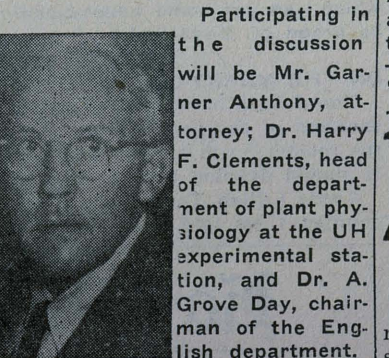

Prior to the swimfest, the girls will wear muumuus and distribute programs. Introductions at both events will be made by Ralph Aoki. The meets are open to the public. There will be a small charge for admission.

APPEARANCES at rallies will be taken into account in the judging, so contestants are urged to be present, Epy warned.

Several additions to the list of candidates include Hilda Odan, Japanese; and Barbara Tam and Sylvia Lee, Chinese. Petitioned candidates to date are Beverly Hatch and Barbara Harper, Caucasian; and Mildred Fong, Chinese.

Sunday Radio Show Features UH Professors

In conjunction with editorials in Ka Leo and downtown newspapers written on the firing of three University of Washington professors, the University of Hawaii roundtable will discuss "The Pros and Cons of Academic Freedom" on KPOA, Sunday night from 7:30 to 8.

Participating in the discussion will be Mr. Garner Anthony, attorney; Dr. Harry F. Clements, head of the department of plant physiology at the UH experimental station, and Dr. A. Grove Day, chairman of the English department.

Another UH broadcast, "Ask the Professor," Sunday night from 9:15 to 9:30 on KHON, will feature Dr. John H. Beaumont, director and horticulturist at the experimental station, and Dr. William B. Storey, head of the department of horticulture at the station. They will discuss the future of macadamia nut production in Hawaii.

'FIRST MIME OF OUR DAY'

TG To Present Versatile Angna Enters March 2, 4, 5

By KAY AKAMINE
Ka Leo Staff Reporter

Angna Enters, dubbed "the first mime of our day," will be presented to Honolulu audiences at 8:30 p.m. March 2, 4, and 5 in Farrington hall, under the sponsorship of the UH Theatre Guild.

Except for a few of her most famous sketches, Miss Enters will present a different program every night.

SHE IS OFTEN and rightly described as a one-woman theatre. Alone on the stage, without scenery or speech, and with only the aid of a pianist, Angna Enters will present short vivid sketches, conveying the characters entirely by dances, hand movements, and facial expressions.

THE BASIS FOR the selections, which were made from 15 other nominations, were

MATSUI

In addition, the governors elected a committee to nominate candidates for the 1949-50 board. They include Karleen Atebara, chairman; Dewey Kim, and Dr. O. A. Bushnell.

THE TERMS of the following members will expire May 1: Betty Lou Chang, Ellen Kawamoto, Miss Atebara and Ivanelle Mountcastle, who served for the last two years.

Also settled at the night meeting was the matter concerning rooms nine and 11 in Hemenway hall. It was ruled that the ASUH will occupy their same room (9), as was requested by the councilmen.

ROOM 11, situated on the first floor of the new wing, was assigned to the board of debate and forensics, classes, and alumni. Presently the groups are meeting with Mr. Iwao Miyake, physics professor, for consultation on improving the acoustics of the room.

TAKING CHARACTERS from all walks of life, Miss Enters draws a series of sketches through the use of pantomime dances done with musical background. Each portrayal is a complete story in itself.

Such subjects as an artist's life, the hardships of a boy cardinal, a Hollywood hopeful, and a pianist at her first public appearance, and many others are included in the programs.

As We See It...

ASUH Needs A New Home

Anyone who has been in the ASUH office during peak hours of activity understands only too well the real need for more adequate quarters to house our student government.

It is unfortunate, to say the least, that BOG could not see its way clear to assign a more suitable room to ASUH. Perhaps some of the BOG members were not cognizant of the true situation as it exists in the first floor capital.

Last week the councilmen voted to remain where they are for the rest of the year. But they are looking ahead to next September when they will again request another location. Their request will be based on necessity, and it should be granted.

Mt. Tantalus And Manoa Falls

Mt. Tantalus now ranks with Manoa Falls in UH hiking legend. Over last weekend two students went off on an excursion into the Tantalus hinterland, and had to be rescued by police. In 1945 a faculty member and his companion ran into direction difficulties on a hike to Manoa Falls, and they too required assistance of search parties.

It might be wise for the university to employ a full time guide to conduct any future explorations of this nature.

They Captured Hilo's Heart

New laurels were added to the UH athletic crown by the seven man boxing team which fought in Hilo last Monday night. Though they did not walk off with a clean sweep of the bouts, the seven boxers from Manoa certainly did win the respect and admiration of the more than 2000 fans who jammed their way into Hilo armory.

Those of us who had the good fortune to witness the fights on the neighbor island were delighted to hear the many fine compliments paid to Coach Herbert Minn and his squad. These commendations indicated to us that UH need not depend entirely upon football and basketball to enhance its sports reputation.

Coach Minn and his aggregation fully merit the continued support of the entire university.

FRATERNITY CHALLENGES ASUH COUNCIL

EDITOR KA LEO:

Attention: ASUH council.

We appreciate your attention and prompt action concerning our questioning of President Higa's right to voice student opinion without plebiscite or opinion poll. However, we feel that the ASUH council is attempting to hand the students a package deal in giving President Higa a vote of confidence in his action.

We therefore ask for a public debate, under conditions to be determined by mutual agreement, to be judged by several members of the faculty. We think this an appropriate action at this time in view of student interest in the matter.

Trusting you may prepare several of your top political scientists to prove your contention which so far has been shrouded in the misguided actions of both President Higa and the ASUH council.

—EXECUTIVE COUNCIL
KAPPA EPSILON THETA

(EDITOR'S NOTE: In connection with Kappa Epsilon Theta's proposal, it was pointed out to Ka Leo by a high placed ASUH official that the fraternity had been invited to attend the Jan. 20 meeting of the student council, at which time Kappa Epsilon could have discussed this matter "to their heart's content." The offer was turned down, or at least not considered, the official said, for no representatives showed up. He added that two members of the fraternity are councilmen, of whom one voted against the vote of confidence, while the second was serving as acting chairman and did not cast a ballot.)

COMMENDS DEPUTATION TEAM FROM UH

EDITOR KA LEO:

From Feb. 10 to the 13 we on Maui had the great pleasure of having in our midst seven boys from the UH YMCA. They sang, played instruments and spoke to well over 6000 residents of Maui. Their programs were superb. Old and young enjoyed them no end. Their conduct was beyond reproach. They were a distinct credit to the University of Hawaii.

Through your paper let me thank the university community for sharing these boys with us.

—MINEO KATAGIRI, '41

(EDITOR'S NOTE: The seven boys referred to above by Rev. Katagiri are Elias "Epy" Yadao, George Koga, John Giltner, James Ohashi, Danny Akaka, Satoru Izutsu, and Ted Yanagihara. The deputation team, in addition, performed on the Big Isle, where they also made "a big hit" with the residents.)

ASKS 'WHAT DOES GOOD LEADERSHIP MEAN?'

EDITOR KA LEO:

May I make a comment and suggestion in regard to your editorial on "The Problem of Student Apathy" (Ka Leo, Feb. 18). You say, "With student enrollment in the neighborhood of 4000 these leaders cannot understand why only a handful of UH'ers—about 100—takes an active role in the numerous opportunities available." With all humility I ask: perhaps we need to redetermine what good leadership means?

The problem is a pervasive one on campus, as you state it, and a number of student leaders have been concerned about it, and have been meeting and discussing since early fall in the Workshop for Leaders, originated by Hawaii Union. They have come to feel the need for better self evaluation and evaluation of the complex problems that underlie leadership and group participation.

The next meeting is scheduled for March 1, 7 p.m., in Hemenway hall. It is open . . . to all who are seriously desirous of getting at the roots of the problem . . .

MISTAKEN IDENTITY

When Dr. Harold S. Roberts, acting chairman of the business and econ department, moved his office into the dispensary a few months back, he apparently did not expect to be involved in an incident like the one that occurred the other day . . .

He was sitting at his desk, busy at work, when a severe pounding on the door of his office shook him out of his seat.

An excited, breathless student faced Dr. Roberts after the door was opened. "Dr. Roberts, someone just fainted in the social science building. He needs a doctor. Will you follow me please?" the student asked the professor, who stood momentarily stunned by the odd request.

Dr. Roberts explained to the student that he was a Dr., not in medicine, but in labor, and referred him to the nurse in charge of the dispensary.

The labor professor then stood by the door of his office, watching the patient being carried into the dispensary on a stretcher.

... Which all goes to prove that the need for a permanent physician and an infirmary on campus is urgent.

A FINE CHOICE FOR A BIG JOB

President Warren Higa could not have picked a finer man than Al Evensen, ASUH councilman (Senior), to study and recommend amendments to certain provisions in the ASUH constitution.

The attempt to revise the charter is not new. It was tried for a number of years without much success. Last year senior Shigemitsu Nakashima sought some revision, but faltered along the way.

Evensen, whose appointment was okayed at the council meeting yesterday, has a big job on his hands—and he knows it.

"I'll do my best in trying to work out some form of a revised constitution which will be acceptable to the council and the student body," he said following the appointment yesterday, "and I would appreciate it if students submit suggestions for changes to me as soon as possible."

The chairman of the constitution amendment committee has less than three weeks to thoroughly screen the constitution and make a report for revisions to President Higa. March 15 is the deadline.

The report of the committee will then be put to the students in a plebiscite Thursday, March 24, for approval.

I understand that one amendment, which is definitely in the making, refers to the election of ASUH officers, class officers, and BOG members.

If Evensen and his committee succeed in revising the constitution, which can see some house-cleaning, it will be an accomplishment to be proud of. Good luck!

ON THE MERRY-GO-ROUND

The debate between Hawaii Union and AWS on the question, "The cackling of the hen is more pleasing to the ears than the crowing of the rooster," will be held Friday, March 4, at 3 p.m. in Hemenway hall. It should develop into quite a battle.

Coeds Lillian Tomita and Elizabeth Nakaeda are primed for the encounter, I am told. They're on the hen's side, naturally.

FROM ALL OVER

Hawaii Lures Even Swiss Octogenarian

From Germany, Switzerland, China, and Japan, letters have found their way into the Ka Leo cubicle, asking eagerly for "someone to write to," and information about "your fairyland paradise."

From Reutlingen in south Germany comes a neatly penned letter from six 18-year old high school girls.

ANOTHER LIST of 14 Swiss hopefully yodeling for names of some young "Hawaiians" hails from the Goodwill club in Bern, Switzerland. Their ages range from 18 through 80. The latter is a gentleman by the name of William Heyworth.

Names and addresses of the German and Swiss correspondents may be obtained from Sam Okinaga, managing editor, in the Ka Leo office.

FROM CHINA comes a letter, plus some stamps, a small handkerchief, and other souvenirs from 17-year old Betty Pon-Fi Lin, PO Box 51, Peiping, China.

A student of Chinese literature at the University of Peiping, she wants "an overseas Chinese friend who was born in Hawaii and have never been in her or his fatherland since she or he was born." The handkerchief and souvenirs are available in the office of student personnel.

A FOURTH LETTER is from the Hamilton correspondence society in Japan. According to the director of the society, Heihachiro Suzuki, the organization is a memorial to a Capt. Richard Hamilton of the US air force, who was lost on a mission over Japan.

It reportedly was formed at the instigation of Hamilton's mother in the course of correspondence between her and Suzuki, Hamilton's pre-war pen friend. Letters should be addressed to:

Backward Glimpses

UH OVER OXFORD

(1925) In the first international debate to be held in the Islands, Oxford university lost to UH on an audience decision. The topic was, "Resolved, that the house is opposed to the principles of prohibition."

Debaters for Hawaii included Walter Short, Shunzo Sakamaki, and Kensuke Kawachi.

READ AND WEEP

(Feb. 18, 1931) A study of 11 universities found the deans ranked causes of failure in college in the following order:

1. Loafing; 2. undue social activity; 3. poor preparation; 4. outside work for a living; 5. lack of coordination between high school and university; 6. too much athletics; 7. poor health; 8. course unsuited to students' needs; and 9. inefficient teaching in the university.

PORTEUS WINS ACCLAIM

(Feb. 18, 1932) Prof. Stanley D. Porteus, UH psychologist, attracted international academic attention with the publication in both England and the US of his latest book, "The Psychology of a Primitive People," a psychological study of the Australian aborigines. The book was chosen by the Scientific Book Club as the book of the month for Nov. 1931.

BANG-UP WEEK

(Feb. 21, 1945) The student body was treated to a whole week of special events sponsored by the Junior class during Junior Week.

Events included lunch hour "concerts" by the Honolulu Police glee club and a hillbilly band, free performances of Bing Crosby's "Going My Way" in Farrington hall, dances, worship service, a Junior class talent show, and a special class edition of Ka Leo.

The highlight, however, was the juniors' taking over the cafeteria during lunch hour, furnishing music and collecting trays and dirty dishes.

Varsity Ball Tossers Leave For Hilo Today

By STANLEY TOYAMA
Ka Leo Staff Reporter

Captain Jyun Hirota will be heading the Varsity ball club of 19 players when they leave for the Big Island this afternoon at 4:30 by Trans-Pacific airlines.

Coach Tommy Kaulukukui of the diamonders has released the list of players:

FINE PROSPECT—Although having played in only five games with the Frosh this year, due to a torn ligament in his leg, Johnny Tashiro is one of Coach Art Gallon's finest prospects for next year's Varsity cage squad. (Ka Leo Photo)

BESIDES HIROTA, Kiyoshi "Knuckles" Matsuo will work behind the plate in the catching spot. Taking turns on the mound will be Henry "Lefty" Tominaga, Harry Kitamura, Walter Hiranaka and Phil Haake. The infield spots will be held down by Yutaka Nose, Herbert "Buster" Maruyama, Tsuneo Watanabe, Kazuto Nagami, Larry Matsuo, Calvin Mimaki, Dermot Ornelles and George Okihiro.

SABURO Takayasu, Gordon Ornelles, Tom Nakagawa, Stanley Himeno and Paul Nakamura will be patrolling the outfield.

These players will be accompanied by Coach Tommy and Manager "Shadow" Hirai. They meet the Waiakea Pirates Saturday afternoon and play the Lincoln Wreckers and the Pepeekeo squads in a doubleheader Sunday.

IN THEIR Winter league tilt last Sunday, the Varsity baseballers were edged by the Truckers, 7-6. Kitamura and Hiranaka shared mound duties for the Rainbows.

Kaulukukui, Lolotai, McKenzie To Teach Football Classes

"All interested in turning out for spring football practice should sign up now for theory classes," announced grid Coach Tommy Kaulukukui.

The main purpose in conducting these classes, which will begin next week, is to teach the boys the finer points of the game. The coach stated further that he intends to take full advantage of Al Lolotai, who is enrolled here this semester.

LOLOTAI, a member of the Los

Angeles Dons of the professional ranks, will conduct classes especially for linemen. Ends and backfield men will also be given special attention. Dr. Fred McKenzie will also instruct, stated Coach Kaulukukui.

The football theory classes will meet, at the most, twice a week for about a month.

Said the popular grid mentor, "Spring practice begins the latter part of April and the boys should enroll now to be ready for the practice sessions."

New Gov't Curricula Proposed To Solons

By JUNE GINOZA
Ka Leo Staff Reporter

"We welcome a movement that would make worth-while jobs accessible to our students in government administration," stated Dr. Allan F. Saunders, government department chairman, when interviewed recently on a bill proposed by the business committee for progressive legislation to the Territorial legislature.

The bill provides for the establishment of a five year course in government administration at UH. Provision for the opening of more than 300 administrative jobs to graduates of the proposed program will also be included in the bill, Dr. Saunders explained.

EACH YEAR graduates of the school will have the opportunity to compete for 15 or 20 Territorial jobs, he said.

He also pointed out that the junior administrative level would have salaries ranging from \$250 to \$350 a month, including positions such as employment interviewers, examination, budget, administrative and research assistants.

DR. SAUNDERS said that eventual promotions to positions of departmental administrators and finance, budget and personnel executives, with salaries ranging from \$450 to \$800 a month, can be expected.

There is need at present for a program that would combine schooling at the university and "in-service" training in public offices, he said. When positions for such internes are open, the government department would prepare students to accept them.

In the event the proposed bill is approved, new courses and additions to the staff would become necessary, concluded Dr. Saunders.

SOSA Evaluates UH Social Events

Emphasis on UH social events today seems to be placed on providing better entertainment rather than making profits. This was the conclusion reached at a recent meeting of the student organization and social activities committee, revealed Miss Barbara Clark, secretary.

Not only dances but parties of the mixer type were held, offering more varied events at a lower cost.

COMPARISON OF the activities of the past semester with the fall semester of 1947 showed the following: In 1947 there were 15 dances, only one of which was free. This school year thus far there were five free dances.

Among the most successful benefits were the asilomar movie sponsored by the YWCA and the Senior Class's New Year's Eve dance with net profits of \$500 and \$159, respectively.

WHEN PROFITS made from campus activities held in Hemenway hall exceed \$75, the surplus is turned over to the ASUH treasury, Miss Clark said.

1. This is a Pre-Med. Still in alimentary school. Makes no bones about skeleton in closet. Actually encouraged to take cuts. Likes to flex his forceps in a "Manhattan" sportshirt.

2. This is a "Manhattan" sportshirt. Covers anatomy with ease. Lightweight rayon gabardine. As smart as it is comfortable. Your choice of many handsome colors.
